These NES Nintendo Games are in good, but used condition. There are some cases for them, but not all of them have cases. I do not have a working Nintendo Deck to test these games, however, all were in working order the last time they were played and they have always been stored in a smoke free temperature controlled environment. If there is a particular title you would like inspected more fully, please let me know. Since these games are not new, they are sold in "as is" condition. There is no reserve, a low beginning bid and all sales are final!

I will be listing other GREAT items this week, adding something new almost every day. Including some videos that are not on DVD yet and some are RARE and/or OOP (out of print). I will happily combine shipping on multiple wins. Please check out my other auctions!

Happy bidding, and have a safe trip on the World Wide Web Buy-Ways!!!!
