HEY, NINTENDO NUTS!! Boy, do I have a collectable Nintendo item here! Not something you can just run down to WalMart and pick up! It's a display carousel from a defunct toy store - you know, the one that used to sit on the counter and hold the cards that matched the cover of the games and description on the back? There are 19 hinged clear card holders that hold 3 cards each; ok, one is missing. There are several of the original cards here, though, and the carousel itself is in good shape, with minor surface scratches typical of everyday public use. The holder sleeves are plastic. Here's a list of the cards included: John Elway Quarterback, Tecmo Baseball, Tecmo Bowl, Kings of the Beach, Hoops, World Games, Baseball Stars, Tag Team Wrestling, The Black Bass, Dance Aerobics, Super Team Games, Track & Field II, Legend of Zelda, Castlevania, Tetris, Adventure of Link (Zelda), Simon's Quest, Dragon Warrior, Mickey Mousecapade, Mappy Land, Donkey Kong, Duck Tales, Mega Man 2, Adventures of Lolo, Double Dragon, Rampage, Dig Dug II, Chessmaster, Archon, Rad Racer, Knight Rider, Pinball, Adventure Island, Adventures of Bayou Billy, Back to the Future, Desert Commander, Adventure of DinoRiki, 8 Eyes, The Guardian Legend, Legacy of the Wizard, Metroid, River City Ransom, Silent Service, Twin Cobra, Ninja Gaiden, Sesame Street's Letter-Go-Round & Ernie's Magic Shapes, Cobra Triangle, Wheel of Fortune Junior Edition, Jeopardy Junior Edition, and Kung Fu. Remember, these ARE NOT THE GAMES, JUST THE SELECTION CARDS! The whole thing weighs about 28 pounds, so won't be cheap to ship. We'll call it \$30.00 to the continental US. I will disassemble to ship safely. The case holds 57 cards and is 26" high, 16" in diameter.
